Installation and warranty

Herringbone must be glued down. Follow the January 2026 installation guide for its dedicated layout instructions and all subfloor, moisture, acclimation and environmental requirements.

Limited warranties: lifetime residential structural; 25-year residential finish; 10-year light-commercial finish. Full warranty terms govern eligibility, exclusions and care requirements.

[1] V3 and radiant-heat approval are NRF program classifications confirmed November 4, 2026. Radiant installations remain subject to complete manufacturer requirements. This sheet is not an installation manual.

Coordinating moldings

Tarkett lists Artistic Finishes trims for all ten L’Artisan colors: quarter round, round and square flush stair noses, overlap stair nose, square nose, reducer and T-molding. Multiple stair-nose profiles are listed. Use the manufacturer’s profile drawings and SKU matrix to select the correct transition; NRF ordering codes, pricing and lead times must be confirmed.
